PMD ALLIANCE

CERTIFIED

IN PARKINSON'S CARE

What Makes Us Different?

Our staff receives yearly, in-depth training on creating care plans with specific attention to the symptoms, medications management, and therapy considerations for a person with Parkinson's. These Certified Care Advocates champion Parkinson's care across the team, supported by ongoing educational materials from PMD Alliance.

REDUCTION IN FALLS

As of the end of 2025, 77% of PMDA Certified communities reported fewer falls after certification.

PD EDUCATION YEAR-ROUND

100% of Advocates report they learned practical skills and knowledge through the Certified Care monthly digest.

REAL IMPROVEMENTS TO DAILY CARE

96% of Advocates report applying what they learned to their daily practice with those living with Parkinson's.
